

Directions to Meyersdale High School

-Take NEW 219 South.

-At the end of the four lane, make a LEFT towards Berlin/Garrett/Meyersdale.

-Go approximately 2.5 miles and you will see signs for Garrett. Turn RIGHT at the light. This is the Garrett Shortcut (the state prison is on this road.)

-This road is about eight miles long. Nearing the end of the Shortcut there is a steep downhill grade. At the bottom, at the stop sign, veer LEFT onto route 653.

- Stay on this road until signs are seen for the "Meyersdale Schools." DO NOT get off onto Business 219 (that takes one into the town of Meyersdale itself.)

-At the end of the ramp for the schools, make a RIGHT.

- Go about 50 yards and turn RIGHT and that leads to the Middle School and Elementary School entrances which will be on the LEFT for each school respectively.

-Go about 150yards and turn RIGHT and that leads you into the High School entrance which veers to the RIGHT.
